

What is Centered LifeSM? — The Architecture

Centered Life

Connecting Sunday to Monday

How do congregations encourage centered lives? Through an architecture for congregational renewal that:

- Raises Awareness of the connections between ordinary life and faith
- Identifies and recognizes each person's **Unique Strengths and Abilities** so that they may live out their callings each day
- Provides **Meaningful Worship** that gathers, restores, renews and sets members free to participate in God's work in the world
- Encourages the practice of **Spiritual Disciplines** to increase each person's ability to serve
- Strengthens **Roles and Structures** to equip and support members in their daily work
