

# Community Building Funding Request

Do you have a **great idea for an event** that embraces the Luther Seminary community life? Individuals and groups can apply for seed money for student activities and events. Requests will be considered twice each month.

The community activity or event must be open to the whole student community and encourage wide participation. For example: Do you know a performer who the community would enjoy in concert? Have you thought of a fabulous idea for the mid-term stress? Please be encouraged to be creative.

Please type into this form and save it as a separate file; then attach it to an e-mail to: [stdntsrv@luthersem.edu](mailto:stdntsrv@luthersem.edu).
