The Well-fed and Nourished Choir
From the Baroque to the contemporary, this session will cover a year of choral literature that will keep the director, the choir and congregation well-fed and nourished.

Amen Be Sung by Every Tongue!

This presentation focuses on organ music for worship. It will include both new repertoire and old gems from easy to difficult. Particular emphasis on hymn settings relating to lectionary Year A, as well as music for general use.

Preaching Matthew
How to create sermons that mine the riches of Matthew’s gospel and reach out to today’s parishioners.

Psalsms for the Year
Ideas for psalm singing for selected Sundays during the program year September 2001-May 2002.

Art and Environment
Through sight, sound, touch and movement we experience and express our beliefs. The art and environment that surrounds our worship are formative elements for our faith. They can support our liturgy, become a prayer, create community, and reveal the Divine.

It will include both new repertoire and old gems from easy to difficult. Particular emphasis on hymn settings relating to lectionary Year A, as well as music for general use.
